

KINETICA NEWS

Director's Message

Behind the scenes at Kinetica we've been working away on restructuring the timetable to incorporate more classes as well as establish ongoing performances and it looks like the upcoming term is going to be another busy one.

Happy training everyone – and remember you get as much out of the sessions as you put into them!!

Addicted To Circus

Circus addiction is a very real struggle many of our students face every day. There is no known cure for this addiction so, Kinetica have taken it upon themselves to help deal with the cravings.

If you sign up to a second class at Kinetica, you'll get a 25% off the price of that class.

Still not enough of a fix? Sign up for a third class, you'll get 50% off the price of that class.

Every class after your third class will be 50% of the price of that class.

Shortcut To Progress

Having difficulty with some of the skills that you've learned in the classes? Do you want to accelerate your improvement?

Consider adding a strength and conditioning class or a flexibility and contortion class to help you get the strength and flexibility needed to step up your aerial abilities.

Term 2 Student Showcase

After another fun-packed term, a number of the more advanced Kinetica students demonstrated the skills they had learned by creating an aerial routine. Achieving this not only involved the strength, flexibility and skills but also required musicality and creativity to select a song and construct the routine.

The acts that were performed were absolutely amazing and very impressive. Everyone who performed should be extremely proud of what they've accomplished because all your coaches most certainly are.

Act-Belong-Commit

We are proud to announce that Kinetica has been awarded Healthway funding for another financial year. This funding will enable us to purchase some new circus equipment, get out into the community more and even go to some schools to do workshops (we might even get the chance to do some corporate circus workshops too!).

There will be plenty more Act-Belong-Commit activities that Kinetica will be running over the next 12 months so be sure to keep up to date with all our latest activities on our [Facebook page](#).

Lost Property

We currently have a number of items of property that have been left behind at our training space over the last couple of terms and our lost property bin is now full!!

Please check the lost property bin for anything that might be yours the next time that you're in.

Any property that hasn't been collected by the end of Term 3 will be forfeit to Kinetica and most likely used as a props or part of a costume for next year's Fringe show.

Term 3 Information

Bookings for Term 3 are still open. To book, please send us an email to: kinetica.cdt@gmail.com with the class that you are booking for.

A 50% (non-refundable) deposit may be paid to secure a place in the nominated class.

Adult Classes: 05/JUL/2015
Cirque Classes: 19/JUL/2015

Ain't No Party Like A Circus Party!

Looking for something cool and unique for a party idea? Something that stands out from the crowd?

How about a circus party!!

Party with Kinetica and we'll work with you to come up with a customised party plan that will include ground stations, aerial stations and a whole lot of fun.

We are available for birthday parties (kids or adult), team building events, hen's nights, bucks nights or even if you just want to have a circus night out.

Send us an email to find out more.

Australian Pole Championships WA Winner

Photo: Nina Otranto Photography

Kinetica is proud to announce that one of our performers and fill-in coaches has won the title of: 2015 Australian Pole Championship Amateur Winner.

Fay's winning pole routine was performed on Saturday 13/JUN/2015 to a full house at the Don Russell Performing Arts Centre. Fay will now be heading over to Sydney in September with the other state finalists to compete in the National Championship.

Term 2 Instagram Winner

Each term Kinetica will be giving away a one-on-one private session (with a coach of your choice) as a prize for the best Instagram picture.

To be in the running, take a photo of yourself doing something circusy in our training space, upload it to Instagram including our hashtag: #kineticacdt and that's it. The more you post, the more entries you get and it will then be featured on our [Facebook page Instagram feed](#).

Here's the winning entry submitted by: **marindal**

Congratulations, we will be in contact with you shortly to arrange your prize.
